

5th Year Commemoration
JENA MARCH FOR JUSTICE & PEACE
September 2012

from the grassroots to the mass movement
 from the "crowd of 30" to the "march of 300" to 60,000+ in CenLa
 from church to church

"You have to recognize a movement occurred. Be About It"

Jena 11pm the 19th to 1:30pm the 23rd

*The liberty and justice for all so often talked about is not happening to ALL.
 From "targeted black-elected officials" to targeted youth preyed upon by
 seasoned criminals, to our daughters stolen by the porn industry; the
 injustice we endure is criminal in its administration.*
